Primary platform: Instagram

01 Who We Are

We're Benjamin, Ben, and Mitch — three partners building a life together and raising our kids with love, humor, and a whole lot of realness. On Instagram we share everyday family moments, travel adventures, LGBTQ+ visibility, and the messy-beautiful side of modern parenting. Brands partner with us when they want authentic storytelling that resonates with families and allies alike.

03 Why Brands Work With Us

— **Authenticity first** — Real family life, not polished ads. Our community engages because they trust us.

— **Family + LGBTQ+ reach** — We speak to queer families, allies, and anyone drawn to modern parenting stories.

— **Reels discovery engine** — 66.1% of views come from non-followers, so partnerships travel beyond our base.

— **Warm, shareable tone** — Dad humor, travel moments, and everyday love that brands can build campaigns around.
